How to make a debit or credit card payment and apply a coupon code

You can make a debit or credit card payment thru PayPal even <u>without</u> a PayPal account

1. When you are ready to order, from your shopping cart select "Check out with PayPal"

2. At this page select "Pay with a debit or credit card"

3. Enter your debit or credit card info here.

4. When you complete your payment info select "Review and Continue"

5. It will take to this page. If you have a different shipping address than your payment you can change your shipping address here.
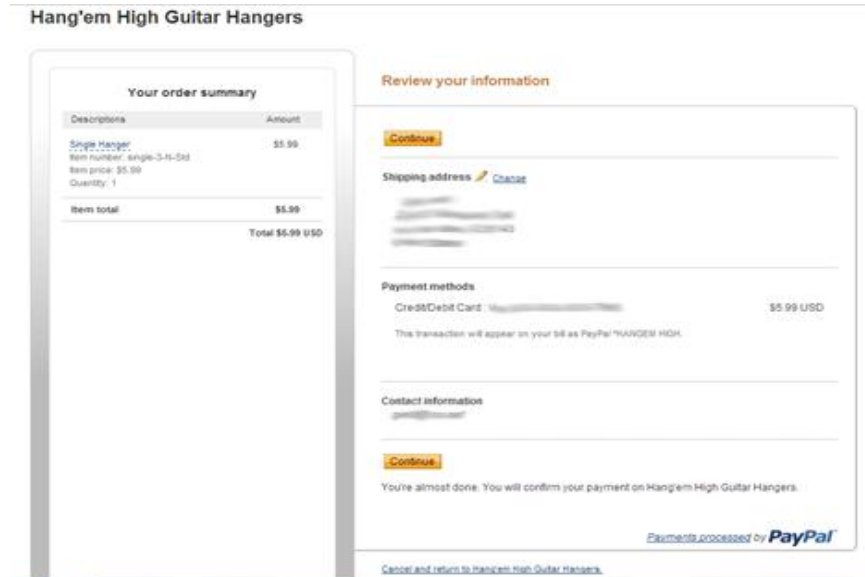

6. Select "Change" if you need to change your shipping address. If your Shipping address is the same as your billing address then select "Continue" and go to step 9

7. Select "add a new address"
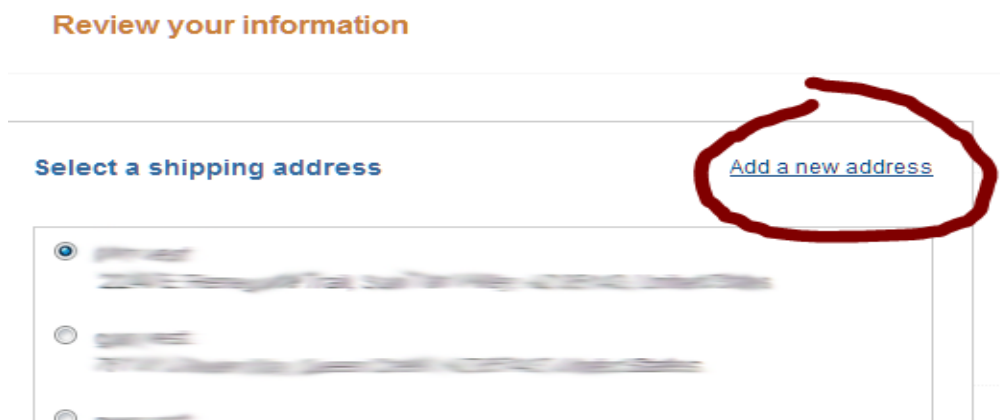

8. Enter your address info and select "save"
